

# EASY 3D Math PUZZLES

CREATED BY JACKIE URSLAND

FOR ASTRONAUTS AND BOYS  
ARCHIVE.ORG EXCLUSIVE!

# HOW TO PLAY

The puzzle consists of a playing area of filled and empty cells similar to a crossword puzzle. Some black cells contain a diagonal slash from top left to bottom right with numbers in them, called "the clues".

A number in the top right corner relates to an "across" clue and one in the bottom left a "down" clue.
